Level 2 OISC registered low cost immigration advice

We can help you to understand your rights and responsibilities as a UK worker coming from abroad to work in the care sector and support you if you are being treated unfairly. If you need further help we are ready to work with you to reduce the stress and maximise your chances of a successful outcome.

Following your free initial contact. If you are planning to visit, reside or extend your stay in the UK, our OISC Level 2 registered office is here to help you and your family at a dedicated reduced rate. Issues we can help with include, but are not limited to:

- Visa applications and extensions
- EUSS (EU Settlement Scheme) & British citizenship
- Indefinite Leave to Remain
- Passports and Biometric residence permits
- Working in the UK and Claiming benefits
- Refugee status or another exceptional leave to remain
- Getting treatment on the NHS
- Rights and responsibilities whilst on a Visa
- Administrative review
- Asylum and human rights applications
- Illegal entry and expired visas
- People facing removal or deportation
