

# Stay Smiling

## Mouth care e-learning for care staff

The Stay Smiling programme provides video-based mouth care training that has been codeveloped with care staff and dental experts.

- Free and easily accessible by computer, tablet or mobile phone.
- Takes just 30 minutes in total that can be completed over time.
- Care workers receive a certificate upon completion.

## How to access the Stay Smiling Programme

The full e-learning programme is available at:

[www.acffglobal.org](http://www.acffglobal.org)

Once you sign up as a free member, the Stay Smiling programme can be found in the members section.

Want the video files for your own training presentations?
