Twilight Games

Introduction

Leicester-Shire and Rutland Sport have launched a new equipment loan scheme to allow care homes and organisations working with older people to borrow our Twilight Games activity packs.

Our Service

Equipment should be collected from and returned to SportPark. There is a selection of equipment packs available and more than one can be hired at a time for a £10 returnable cheque deposit per equipment pack. The maximum loan period is 6 weeks.

About the Twilight Games

The Twilight Games is a programme of adapted sports for residents in care settings with the objective of enhancing the resident's day to day life through increased mobility, coordination, mental health, wellbeing and increased social activity.

To do this, a programme of adapted activities has been devised to accommodate for the range of abilities and levels of mobility amongst the residents. This also includes how the activities will help to support physical and mental coordination and increased mobility through exercise.

Our Equipment Packs

Petanque (2 Packs Available)

A form of 'boules' where the goal is to throw balls as close as possible to a smaller ball called a jack.

Audio Basketball (4 Packs Available)

A unique spin on the game of basketball. The objective is to get a ball into the basket the most times within the time limit.

Boccia (4 Packs Available)

A game of precision, where the players aim at placing their balls as close to the jack (the white target ball) as possible

Sitting Volleyball (5 Packs Available)

A similar take on the sport volleyball, where players in teams stay seated and work together to land the ball in the opposition's court.

Bean Bag Target (4 Packs Available)

A game of skill, where each player throws their bean bag to achieve the highest scoring position on a target.
