Let's talk about the direct provider benefits

- Access funding for training
- Record training and qualifications data
- Benchmark your workplace
- Securely store workforce information
- Product offers and discounts
- Provide intelligence to sector decisions makers

Top 3 reasons providers create an ASC-WDS account:

- 1 **Access to funding for staff training.**
- 2 **Manage staff training and qualifications.**
- 3 **Provide insight to CQC and DHSC to support sector changes.**

Creative Support – NFP Care Provider

- Over the past three funding for training years, they've claimed back £330,000 which they've reinvested into their own learning and development department as well as wage replacement costs which has had a positive impact on staff morale.
- They've also used the Benefits Bundle discounts for eLearning modules and saved over £8,300 on licence costs using the codes.
